

## VISIT OF BANKERS TO PETERSBURG

Northern and Richmond Capitalists Inspect Manufacturing Sites.

### HELD ON SERIOUS CHARGE

Woman Accused of Attempting to Poison Children of Neighbor.

Times-Dispatch Bureau, 103 North Sycamore Street, Petersburg, Va., June 10. Escorted by President William Northrop, of the Virginia Railway and Power Company, a large party of capitalists from Northern cities and Richmond came over to Petersburg this morning and spent several hours in the city. They visited the Walnut Hill Corporation viaduct, the floor of which is now being laid in concrete, and several manufacturing sites. The object of the visit was to observe opportunities for investment, and may prove one of importance.

**Death of Well-Known Merchant.**  
J. Beverly Harrison, a prominent merchant and widely known and popular citizen, died this morning shortly after 6 o'clock in his home on Jefferson Street of tuberculosis. He had been ill for some time, and his death was not unexpected, though greatly regretted by a large circle of friends. Mr. Harrison is survived by his parents, Mr. and Mrs. John H. Harrison, his wife and two children, a son and a daughter, one brother and one sister, Mrs. R. F. Ragland. He was in the thirty-ninth year of his age.

**A Very Serious Charge.**  
Rebecca Johnson, negro, living on Third Street, this morning was sent to the Petersburg Court for trial on the charge of attempting to administer to a child a dose of medicine which she had taken from a bottle of broken glass. The child, a little girl of her next-door neighbor, Annie Rogers, colored, the mother heard the child's screams, and, running to it, found that the child had bitten into the glass and that fragments of glass had stuck in the gums and roof of the mouth. The biscuit, which is in the possession of the police, is filled with broken glass. The mother fortunately prevented the child from swallowing any of the glass, but two of her other children are suffering intestinal troubles, which lead the attending physician to suspect that they may have swallowed some of the glass. The mother, Johnson, who is a very violent woman, vehemently denies having given the children the biscuit. The motive of the act, if the charge is sustained, is said to have been that the children were an annoyance to the accused woman. She is held in jail to await the action of the grand jury.

**To Travel in Europe.**  
A pleasant company will leave Petersburg for Europe early in July. The party will consist of Mrs. Robert T. Meade and Miss Leslie Booth, of Petersburg; Miss Sally Fleetwood, of Waverly; Mrs. Charles B. Jefferson, of Farmville, and probably one or two others. They will spend the summer in travel, visiting many cities and places of interest, and will return the latter part of September.

## ROMANCE ENDS IN EMBROIDERY

Miss Mary Lee Royall, of This City, Weds Washington Athlete.

[Special to The Times-Dispatch.]  
Baltimore, Md., June 10.—Miss Mary Lee Royall, of Richmond, accompanied by her sister and a friend, eloped to this city this afternoon, and was married to George R. Frye, of Washington, a well-known athlete and president of the patent law class of the Georgetown University. Miss Royall is a typical Virginia beauty, and as soon as the wedding ceremony was performed the joyful couple and their friends dined at the Belvedere, and then left for Washington. A pretty romance, extending over a period of three years, culminated in the elopement. Each of the contracting parties has known the other for several years. Mr. Frye met his bride during his college days at Georgetown, and his introduction to Miss Royall first came at an athletic meet in which he was entered. Despite her residence in Richmond, Miss Royall was always loyal to the teams from Georgetown in their struggle for athletic supremacy at the University of Virginia. At the commencement of Georgetown, held last week, Mr. Frye received his diploma as a patent lawyer. Secretly the couple had already planned the wedding, and this morning Mr. Frye came over to Baltimore and secured a marriage license.

He went back to Washington and met his bride and her sister, Miss Louise Royall, and her friend, Miss Congressman Floyd. The quartet then hastened to Baltimore and went to the rectory of St. Ignatius Catholic Church, where the ceremony was performed by Father Fortier.
